**Subject: CONTRACT FOR PROVISION OF ERW CLEARANCE SERVICES GRAND PORT EASTERN
BREAKWATER AL FAW, BASRA, IRAQ**

Dear Mr. Saad,

We can confirm that you have successfully completed the work scopes under our contract over 18million square metres of land both on and offshore has been cleared. I would like to express Archirodons appreciation for the professional way in which Al Sirag has conducted the clearance work for the Grand Port Eastern Break water.

Under the guidance of yourself, who acted as Operations manager, and your expatriate and Iraqi leadership team we have seen Al Sirag workforce strengthen into an exceptional ERW clearance organization, able to conduct ERW clearance work to International Mine Action Standards in a very challenging area. We wish Al Sirag good fortune in the future and we look forward to working with you again.

Yours faithfully
